Comment: The attached plan of the organization of the Staatssekretariat fuer Materialversorgung was drawn up by source. The plan shows the DHZ's still under the Hauptabteilung Staatlicher Grosshandel, although they were scheduled to have gone under the control of appropriate Ministries on 1 January 1952. It is doubtful if this change has occurred yet (March 1952). It will be noted that their number has increased from 14 to 22.
